RONSTA
KNIVES

The Ronsta KU001 Folding Knife performs as it looks, fantastic. This utility knife is great for those general maintenance jobs that need to get done. The anti-slip grip handle allows you to do those jobs where gloves are needed. Changing the blade couldn't be easier, and no tools required. The folding button allows the knife to fold in half and could be put into a pocket until needed. Great for all kinds of cutting applications.
