

The SPARTAN-X is a premium wide vision safety goggle with an optional face shield that can easily be connected to offer full face protection. The futuristic, low-profile design is complemented by advanced indirect ventilation ports, combined with Titanium high-performance lens coating to ensure maximum fog-resistance and crystal clear, distortion free vision. It also has a soft facial contouring rubber seal that provides exceptional comfort, while the fully adjustable elastic strap allows for a customised and secure fit.

KEY FEATURES

- ❖ Wide field of view
- ❖ Soft TPR face seal with comfort nose bridge
- ❖ Titanium High Performance AF/AS lens coating
- ❖ Indirect ventilation system
- ❖ Removable flip up visor with extended chin guard
- ❖ Fully adjustable, pivoted head strap
