

Product Code: RS-BL29C

OVERCOAT™

baseline
BY SCOPE OPTICS

PRODUCT CODE: RS-BL29C

FEATURES AND BENEFITS

The OVERCOAT is the ultimate option for workers who already wear prescription glasses but need additional eye protection in hazardous environments. The single-piece polycarbonate lens easily fits over existing frames due to its fully adjustable features, including three-point lens inclination and co-moulded thermoplastic temples, allowing a four-point length setting for a customised fit.

- Lightweight
- Fits over prescription glasses
- Co-injected rubber temples
- Moulded cheek/brow and side coverage
- Lens inclination adjustable to 3 positions
- Temple length adjustable to 4 positions
