

Product Code: PS-260C

LITE SPEED™

FEATURES AND BENEFITS

The LITE SPEED is a frameless and lightweight wraparound design that provides excellent eye coverage and protection without using any metal components. It features an adjustable soft PVC nose bridge and smooth pressure-free temples that ensure a secure yet comfortable fit. The modern and protective design delivers exceptional performance and value, making it an ideal choice for extensive use in a wide variety of industries.

PRODUCT CODE: PS-260C
